

EXECUTION VERSION

Terms not otherwise defined in the Final Terms (as defined below) shall have the meanings specified in the Terms and Conditions of the Securities, as set out in the Base Prospectus (the "**Terms and Conditions of the Securities**"). All references in these Final Terms to numbered sections are to sections of the Terms and Conditions of the Securities.

The Terms and Conditions of the Securities shall be completed and specified by the information contained in Part I of these Final Terms. The completed and specified provisions of the relevant Option I, II, III, IV, V, VI or VII of the Terms and Conditions of the Securities (if Type A applies) represent the terms and conditions applicable to the relevant Series of Securities or the relevant Option I, II, III, IV, V or VI of the Terms and Conditions of the Securities, completed and specified by, and to be read together with, Part I of these Final Terms (if Type B applies) represent the terms and conditions applicable to the relevant Series of Securities (in each case the "**Terms and Conditions**").

PROHIBITION OF SALES TO EEA RETAIL INVESTORS

The Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); or (ii) a customer within the meaning of Directive 2002/92/EC ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II PRODUCT GOVERNANCE / QUALIFIED INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Securities has led to the conclusion that: (i) the target market for the Securities is eligible counterparties and professional clients each having at least extended knowledge and experience, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Securities are appropriate. Any person subsequently offering, selling or recommending the Securities (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.
