1. that their acceptance of the Offer is irrevocable, without prejudice to the possibility for the Tendering Shareholder to communicate their express intention to withdraw their acceptance in order to accept competing offers or in the other cases provided for in the Offer Document, in accordance with applicable laws and regulations;
2. that the Offer will be completed only upon the occurrence of the Conditions of Effectiveness, or following the waiver thereof by the Offeror, as illustrated and described in Section A, Paragraph A.1, of the Offer Document. In the event of failure to fulfil even one of the Conditions of Effectiveness and the Offeror’s failure to exercise its right to waive them, the Offer will not be completed and, in such case, the Shares tendered in acceptance of the Offer will be returned to the respective holders, without any charges or expenses being borne by them, by the first Trading Day following the date on which the Offeror first announces the failure to complete the Offer;
3. that the Acceptance Period starts at 8:30 a.m. (Italian time) on 20 July 2026 and will end at 5:30 p.m. (Italian time) on 11 September 2026 (both dates inclusive), subject to any Reopening of the Acceptance Period or any extensions of the Offer that may occur in accordance with applicable laws and regulations, as provided for in Section F, Paragraph F.1.1 of the Offer Document;
4. that, pursuant to the Press Release, for each Share tendered in acceptance of the Offer, the Offeror – also taking into account the TIM Share Reverse Split (as defined in the Offer Document) – will recognise to the Tendering Shareholders a consideration (the “**Consideration**”), consisting of:
 - e. a cash component equal to EUR 1.67, as better described in Section E, Paragraph E.1 of the Offer Document, increased by an additional cash component equal to EUR 0.30, as further indicated in the Press Release, and therefore equal to an aggregate amount of EUR 1.97 (the “**New Cash Component**”), and
 - f. a component represented by the Poste Shares issued pursuant to the Capital Increase Reserved to the Offer, equal to No. 0.218 Poste Shares with regular dividend rights and the same characteristics as the ordinary shares of the Offeror already in circulation on the date of issuance, which will be listed on Euronext Milan (the “**Shares Component**”),
 as better described in Section E, Paragraph E.1 of the Offer Document;
5. that, if the result of the application of the Exchange Ratio to the Shares Subject to the Offer tendered in acceptance of the Offer by a Tendering Shareholder is not a whole number of Poste Shares (*i.e.*, if a Tendering Shareholder does not tender in acceptance of the Offer at least No. 500 Offer Shares, or a number of Offer Shares equal to a whole multiple of 500), the Fractional Shares of the Poste Shares will be aggregated and subsequently sold on Euronext Milan and the proceeds of such sales will be credited to the relevant Tendering Shareholders in proportion to their respective Fractional Shares (*i.e.*, the Fractional Cash Amount), as illustrated and described in Section F, Paragraph F.5, of the Offer Document;
6. that the Tendering Shareholder will not bear any trading costs or commissions, either in connection with the allocation of the Poste Shares, or for the payment of the Fractional Cash Amount, nor will any interest of any kind be paid on the Fractional Cash Amount;
7. that the Offer Document provides that payment of the Consideration will be made on 18 September 2026 (*i.e.*, the fifth Trading Day following the end of the Acceptance Period as indicated in the Offer Document), without prejudice to any extensions or amendments to the Offer in accordance with the terms and modalities disclosed pursuant to applicable laws and regulations, or, if applicable, on the Payment Date of the Reopening of the Acceptance Period. Such payment is subject to the execution of the formalities required to transfer the Shares to the Offeror;
8. that the Consideration is intended net of stamp taxes, expenses, fees and commissions which shall remain in charge of the Offeror, while other taxes, including the tax on any capital gains, if due, shall remain entirely in charge of the Tendering Shareholders to the Offer and no interest shall be paid on the Consideration for each Share tendered in acceptance of the Offer between the date of acceptance of the Offer and the Payment Date of the Consideration or the possible Payment Date of the Reopening of the Acceptance Period;
9. that acceptance of the Offer by means of this Acceptance Form may also be effected through one of the Depositary Intermediaries on behalf of the Tendering Shareholders, who shall countersign the Acceptance Form and forward it to one of the Appointed Intermediaries;
10. that the Tendering Shareholders shall bear exclusively the risk that the Depositary Intermediaries fail to deliver this Acceptance Form and, if applicable, fail to deposit the Shares tendered in acceptance of the Offer with the Intermediaries Appointed to Coordinate the Collection of Acceptances by the last valid day of the Acceptance Period or, where applicable, by the last day of the possible Reopening of the Acceptance Period, and that the Depositary Intermediaries fail to transfer the Consideration to the persons entitled to receive it or delay such transfer; and
11. that during the period between the date of acceptance and the Payment Date, or, in the event of a possible Reopening of the Acceptance Period, the Payment Date of the Reopening of the Acceptance Period, the Tendering Shareholders may exercise the proprietary and corporate rights attaching to the Shares, which shall remain in their ownership.
